

# PALLIATIVE CARE IN NURSING HOME: IS THERE A ROLE FOR SOCIAL WORKERS?

4 May 2018 @St. Joseph's Home

An eventful afternoon at St. Joseph's Home, with a panel of professionals from Singapore Hospice Council, St. Joseph's Home and Hospice Care Association, who shared on the current palliative models of care. 18 participants were engaged in a fulfilling session and a guided tour of newly re-opened St. Joseph's Home. Participants learnt the importance of communication within own agency in order to better teamwork amongst different disciplines and also creating the social work presence in their area of work.
